The screenshot shows a web browser window with the address bar displaying 'localhost:5173/login'. The page has a dark header with the text 'Support desk' on the left and 'Login' and 'Register' links on the right. The main content area is white and features a large black arrow icon pointing right, followed by the text 'Login'. Below this, it says 'Please login to get support'. There are two input fields: 'Enter your email' and 'Enter your password'. A black 'Submit' button is at the bottom.

The screenshot shows a web browser window with the address bar displaying 'localhost:5173/login'. The browser's tab bar shows several open tabs, including 'Vite + React'. The page has a dark header with the text 'Support desk' and two links: 'Login' and 'Register'. The main content area features a large 'Login' heading with a key icon, followed by the text 'Please login to get support'. There are two input fields: one for the email 'user12@gmail.com' and one for a password represented by dots. A black 'Submit' button is at the bottom.
